All around the world
Every boy and girl
Come along with me
That's - a stupidity

All around the world
Every boy and girl
Take a lesson from me
That's - a stupidity

- guitar solo - 8 bars -

Papa says I look so crazy (lee sang 'silly')
Mama says I look a fool
I don't mind their criticism
They do that every day in school

So come along with me
See how much fun it can be
Watch it on tv
That's - a stupidity

- guitar solo - 8 bars -

So come along with me
See how much fun it can be
Watch it on tv
That's - a stupidity

So come along with me
See how much fun it can be
Watch it on tv
That's - a stupidity

All around the world
Every boy and girl
Come along with me
That's - a stupidity
