We used have our time together.
We used to party with each other.
Now you stall when I call.
Dont wanna know when I say go.
And when I see you on the street
Listen to me little creep,that's it, I quit.

You used to look just like a queen,
Kinda soft, kinda mean.
Now you jst look dirty.
Say you're twenty but you're thirty.
Wearing a diamond ring
where did you get that thing,that's it, I quit.

[SOLO] 12 bars

[Bridge]

When I call you at home
at your personal phonenumber.
dont get in a rage when I hear its engaged.
I just wanna know who you are lying under,
its a rap...

Dont want to see you anymore.
Aint gonna walk in any trap.
Like I told you once before.

You think you're so flash,
The way you get your cash,that's it, I quit.
