(wilko johnson)

I don't get nothing to nobody  
But I get everything for you  
My hopes, my plans  
My dreams my friends  
And most of my money to  
If I got one thing left to give  
I swear that I haven't a clue

The more I give the less I get from you

My friends told me that a womans love  
Is a most peculiar thing  
You treat 'em bad, steal their cash  
And they treat you like a dog gone king  
I never listened to their advice  
But now I must admit that it's true

The more I give the less I get from you
