Hey, all of you women  
Now, don't come around  
Unless you weigh around  
Four-hundred pounds

I'm from way down home  
And I don't dig chewing bone

You got to be all right with me  
Because the doctor is  
Really hard to please

Now you talk about women  
I love em all  
I love em big and  
Then I love em tall

But if you don't weigh  
What I want, baby  
Don't come around at all

You got to be all right with me  
Because the doctor is  
Really hard to please

Now you talk about women  
I love em all  
I love em big and  
Then I love em tall

If you don't weigh  
What I want, baby  
Don't come around at all

Well, they call me  
The doctor (oh, yeah)  
In my neighborhood (oh, yeah)  
But my baby, she calls me  
(Oh, yeah) oh, doctor feelgood

(Oh, yeah) oh, you ever feel good  
(Oh, yeah) have you ever felt good

(Oh, yeah) well, you talk about women  
(Oh, yeah) that's all I crave (oh, yeah)

I believe, I believe (oh, yeah)  
They gonna take me to my grave  
(Oh, yeah) good, good, good  
Good, good, good (oh, yeah)

So good, so good (oh, yeah)  
So good, so good (oh, yeah)
