You've got the right string, baby  
But the wrong yo-yo

Somebody knocking on your door  
Well, I passed this morning  
By the hardware store  
A brand new string for my yo-yo

Walked down to the doctor  
To get my string put on  
He made a mistake  
Put the string on wrong

No need in knocking  
On nobody's door  
Oh, the right string, baby  
But the wrong yo-yo

Mama told me  
Papa did too  
Some of these women  
Gonna be the death of you

You better find out  
Wait til you crave some  
Some of these women  
Will take you to your grave

But when you see me coming  
Put your man outdoors  
I ain't no stranger  
I been here before

No need in knocking  
On nobody's door  
You got the right string, baby  
But the wrong yo-yo

Right string, baby  
But the wrong yo-yo  
Somebody knocking on your door  
Passed this morning by

The hardware store  
A brand new string for my yo-yo

Walked down to the doctor  
To get my string put on  
He made a mistake  
Put the string on wrong

No need in knocking  
On nobody's door  
Oh, the right string, baby  
But the wrong yo-yo
