I'm a man of pride but I ain't got no shame
I keep it simple baby and I don't play no games
Don't mean to be so cocky girl but I'm gon' make you
mine,
oh ooh ooh ooh
Show me a little action Give me a little time
its just a matter of asking you'll be my partner in crime
Don't mean to be so cocky girl but I'm gon make you
mine,
oh ooh ooh ooh

Ras Kass Verse:
when I'm good I'm really good
when I'm bad I'm badder
So when I'm naughty she gets' wetter
she a go getta
yeah, she get chedda
knew she was my co-d first time I met her
smooth criminal, I do my dirt
and she a ride-or-die we put in work
Top down, PCH s-class Benz
malibu breeze blow your hair in the wind
like...
good girls and bad boys
go together like peanut butter and chocolate
inside her Fendi coin purse somethin to pop wit
why?
cuz every thug need a hot chick
they don't want me to get at you
cuz my jeans sag, neck tattoo'd
I'll be dillinger
you be my Evelyn
partners in crime
yeah, we goin' in

I'm a man of pride but I ain't got no shame
I keep it simple baby and I don't play no games
Don't mean to be so cocky girl but I'm gon' make you
mine,
oh ooh ooh ooh
Show me a little action Give me a little time
its just a matter of asking you'll be my partner in crime

Don't mean to be so cocky girl but I'm gon make you
mine,
oh ooh ooh ooh

Like deal or no deal you pick a box

Girl be my accomplice
be my accessory for the night
your smile spells trouble
come on girl go hit the lights

I'm a man of pride but I ain't got no shame
I keep it simple baby and I don't play no games
Don't mean to be so cocky girl but I'm gon' make you
mine,
oh ooh ooh ooh
Show me a little action Give me a little time
its just a matter of asking you'll be my partner in crime
Don't mean to be so cocky girl but I'm gon make you

Louie Verse:

You could be dirt poor or filthy rich I don't care what
you got
it's all the same to me I just want my fix
Bonnie and Clyde you and me our backs to the wall
She wants money and fame, for just one night we can
take it all
Girl be my accomplice
be my accessory for the night
your smile spells trouble
come on girl go hit the lights

I'm a man of pride but I ain't got no shame
I keep it simple baby and I don't play no games
Don't mean to be so cocky girl but I'm gon' make you
mine,
oh ooh ooh ooh
Show me a little action Give me a little time
its just a matter of asking you'll be my partner in crime
Don't mean to be so cocky girl but I'm gon make you
