You got a minute for yo' son father, I need to talk  
I'm so tired of tryin to run father, let's take a walk  
I'm so sorry for what I done father, it ain't my fault  
But the devil's been on my back lately, he's like a hawk  
You never give us more than we can handle, but it's  
gettin hard

And I'm a strong individual, but I need you God  
Lot of things that I used to, I don't wanna  
run the streets like I used to, I know I'm gonna  
speak the word for you one day  
Up in there like, "Hallelujah!" on Sunday  
I thank you Lord for the blessings that you gave me  
And for my life with the blessings you have saved me  
And for my wife you have carried me enough times -  
and that's the truth  
Married me to rough times, throughout my youth  
And through it all I saw that you was still with me  
I was that one lost sheep and you was comin to get me

[Chorus]

Lord you got me like.. your love got me like..  
Lord you got me like.. your love got me like..  
Lord you got me like.. your love got me like..  
Lord you got me like.. your love got me like..

[DMX]

I look at life a little different now, since you hugged me  
And I always loved my peoples, but now they love me  
Thank you for the love Lord, we praise ya  
Jacob's descendants, from Africa to Asia  
Pleadin the blood of Christ over our life  
Wrong or right, just help us make it through the night  
and we'll  
shout yo' name in times of need  
And times of joy, and, when we bleed  
And, when we are overcome with greed  
You ain't gon' half to tell me twice, I'ma take heed  
And because of what you've given me, I know you'll  
deliver me  
And I won't drown no matter how deep the river be

You are the strength I, never knew I had  
Kept the heart good when they told me it was bad  
All praises due to ya  
That's why I had to dedicate somethin new to ya, thank  
you father

[Chorus]

[DMX]

Uhh..

I never knew a love like, this before  
Messin with the thug life I, missed it all  
You opened the doors and, let me in  
I'm down for the cause so, let's begin  
Prayers that you give to me I give to them  
Same way you live in me I live in them  
Life is a blessing now  
You got me smilin from inside of my heart, when inside  
it was dark  
And it doesn't rain anymore  
Only sunshine, no pain anymore, I really love my  
You washed away the tears with the fears  
I'm happier than I've ever been in my life, the whole  
thirty years  
You know that! one day I'll speak the word  
You know that! when I do I will be heard  
You know that! you gave me a permanent smile  
And you know this father because I'm yo' child, what?

[Chorus]
