Sally called when she got the word  
She said, I suppose you heardÂ...about Alice.  
So I rushed to the window and I looked outside  
And I could hardly believe my eyes  
As the big limousine pulled slowly into Alice's drive

Oh I don't why she's leaving or were she's gonna go  
I guess she's got her reasons but I just don't wanna  
know  
Cause for 24 years I've been living next door to Alice

24 years just waiting for a chance  
To tell her how I feel and maybe get a second glance  
Now I gotta get used to not living next door to Alice

We grew up together, two kids in the park  
We carved our initials deep in the barkÂ...me and Alice  
As she walks to the door with her head held high  
Just for a moment I caught her eye  
As the big limousine pulled slowly out of Alice's drive

Oh I don't why she's leaving or were she's gonna go  
I guess she's got her reasons but I just don't wanna  
know  
Cause for 24 years I've been living next door to Alice

24 years just waiting for a chance  
To tell her how I feel and maybe get a second glance  
Now I gotta get used to not living next door to Alice

Sally called back, asked how I felt  
She said, I know how to helpÂ...Get over Alice  
She said now Alice is gone but I'm still here  
You know, I've been waiting 24 years  
And the big limousine disappeared

Oh I don't why she's leaving or were she's gonna go  
I guess she's got her reasons but I just don't wanna  
know  
Cause for 24 years I've been living next door to Alice

24 years just waiting for a chance

To tell her how I feel and maybe get a second glance  
Now I gotta get used to not living next door to Alice

Now I'll never get used to not living next door to Alice.
