I'm your friend you can talk to me  
I read your fate I see misery  
'Cause the one you love  
has left you dry  
Don't start believin'  
that you're gonna die  
Just pick your heart up off the  
floor and try, try again  
You'll find

Better love next time baby  
don't give up and  
I know you're gonna find  
better love next time baby  
Someone will be waiting down the line  
with better love, better love  
better love, better love next time

Sometimes it's better to let it all go

I've been there and I think I should know  
So have a good cry, wash out your heart  
If you keep it inside it'll tear you apart  
Sometimes you lose but you're  
gonna win if you just, if you just  
keep hanging in  
You'll find

Better love next time baby  
don't give up and  
I know you're gonna find  
better love next time baby  
Someone will be waiting down the line  
with better love, better love

(repeat 2x to fade)
