I'm Lil' Flip  
Takin trips to Cancun  
Drop the tape  
My cartoon comin soon  
Blowin up like a hot air balloon  
Livin in a penthouse wit 25 rooms  
Houston, Texas~Benz N Lexus  
Find me on the freeway drivin reckless  
Wear sunglasses when you look at my necklace  
Worldwide respected  
Top 10 selected

{Chorus: Deep Threat}  
Horses wit my boxers on  
Horses wit my boxers on  
Horses wit my boxers on  
You got yo t-shirt and yo panties  
I got Trojans wit my boxers on

{Verse 1: Deep Threat}  
Picture this:  
Girl me & you  
In my water bed  
In the shower too  
The water's fine  
Say what's on your mind  
Don't see nothin wrong  
With some bump and grind  
I'm gone break you off  
Like a playa should  
Like side to side  
Baby its all good  
Im not lookin 4  
Girl no love affair  
If you ride with me

{Chorus: Deep Threat}  
Horses wit my boxers on

And you're layin there  
Layin there  
And you're willin to share  
Ya freaky thoughts  
Baby wit me too  
You got ya t-shirt on  
And ya panties too  
The warm caress  
Of ya body next to mine  
It's rated X

I wanna come inside  
If ya want me to  
Open up  
And let me prove it to you

{Chorus: Deep Threat}

Horses wit my boxers on  
Horses wit my boxers on  
Horses wit my boxers on  
You got yo t-shirt and yo panties  
I got Trojans wit my boxers on
