(Shel Silverstein)

I was sitting in my basement I just rolled myself a taste  
Of something green and gold and glorious to get me  
through the day  
Then my friend yelled through the transom "Grab your  
coat and get your hat son  
There's a nut down on the corner, givin' dollar bills  
away"

But I laid around a bit  
Then I had another hit  
Then I rolled myself a bauma  
Then I thought about my mama  
Then I fooled around, played around  
Jacked around a while and then

I got stoned and I missed it  
I got stoned and I missed it  
I got stoned and it rolled right by  
I got stoned and I missed it  
I got stoned and I missed it  
I got stoned oh me oh my

Now it took seven months of urging just to get that  
local virgin  
With the sweet face up to my place to fool around a bit  
Next day she woke up rosy and she snuggled up so  
cosy  
When she asked me how I liked it Lord it hurt me to  
admit

I was stoned and I missed it  
I was stoned and I missed it  
I was stoned and it rolled right by  
I was stoned and I missed it  
I was stoned and I missed it  
I was stoned oh me oh my

Now I ain't makin' no excuses for the many things I  
uses  
Just to sweeten my relationships and brighten up my

day  
But when my earthly race is over and I'm ready for the  
clover  
And they ask me how my life has been I guess I'll have  
to say

I was stoned and I missed it  
I was stoned and I missed it  
I was stoned and it rolled right by  
I was stoned and I missed it  
I was stoned and I missed it  
I was stoned oh me oh my
