(Shel Silverstein & Baxter Taylor)

Down in Lou'siana where the black trees grow live a
voodoo lady named Marie Lavaux
She got a black cat tooth and a mojo bone and anyone
wouldn't leave her alone
She go GREEEEEEEEEEEE another man done gone

She live in a swamp in a hollow log with a one eyed
snake and a three legged dog
She got a bent bony body and stringy hair and if she
ever seen you messin' round there
She go GREEEEEEEEEEEE another man done gone

And then one night when the moon was black into the
swamp came Handsome Jack
A no good man that you all know and he was lookin'
around for Marie Lavaux

He said Marie Lavaux you lovely witch why don't you
gimme a little charm gonna make me rich
He said now gimme million dollars and I'll tell you what
I'll do, this very night I'm gonna marry you
It'll be GREEEEEEEEEEEE another man done gone
So Marie did some magic and she shook a little sand,
she made a million dollars and she put it in his hand
Then she giggled and she wiggled and she said hey
hey, I'm gettin' ready for my wedding day
But ol' Handsome Jack, he said "Good-bye Marie, you
too damn ugly for a rich man like me"
So Marie started cryin', her fangs started shakin', her
body started turnin', she started quakin'
She said GREEEEEEEEEEEE another man done gone

So if you ever get down where the black tree grow and
meet a voodoo lady named Marie Lavaux
And if she ever asks you to make her your wife, man
you better stay with her for the rest of) your life
Or it'll be GREEEEEEEEEEEE....
