She was only sixteen, only sixteen
But I loved her so
But she was too young to fall in love
And I was too young to know

Weâ'd laugh and weâ'd sing and do funny things
And it made our hearts glow
But she was too young to fall in love
And I was too young to know

So why did I give my heart so fast
It never will happen again
But I was a mere child of sixteen
Iâ've aged a year since then

She was only sixteen, only sixteen
Ooh, with eyes that would glow

But she was too young to fall in love
And I was too young to know

So why did I give my heart so fast
It never will happen again
But I was a mere child of sixteen
Iâ've aged a year since then

Now she was only sixteen, only sixteen
Ooh, but I loved that girl so
But she was too young to fall in love
And I was too young to know

Yes, she was too young to fall in love
And I, I was too young
I was much too young to know
