Before we begin, thank you  
Thank you, oh thank you, thank you, thank you

I'm not a bad person, I don't drink and I don't kill  
I've got no evil habits and I probably never will  
I don't sing like Elvis Presley, I can't dance like Fred  
Astaire  
But there's one thing in my favor, I'm a millionaire  
(What, that's beautiful)

And I got more money than a horse has hairs  
'Cause my rich old uncle died and answered all my  
prayers  
But having all this money is gonna bring me down  
If you ain't with me honey to help me spread it around

I could get myself a nose job, I could diet for a year  
But I'll never be Robert Redford 'cause I'm much too  
fond of beer  
Please don't misunderstand me, it's not love I'm trying  
to buy  
It's just I got all this here money and I'm a pretty ugly  
guy

But I got more money than a horse has hairs  
'Cause my rich old uncle died and answered all my  
prayers  
But having all this money is gonna bring me down  
If you ain't with me honey to help me spread it around

I don't mind if you love me for my money  
If you love me for whatever else I've got  
Except for all this stuff I'm alone in Fort Knox  
I don't guess I'm doing all that hot

But I got more money than a horse has hairs  
'Cause my rich old uncle died and answered all my  
prayers  
But having all this money is gonna bring me down  
If you ain't with me honey to help me spread it around

Hey you, come here babe, stop crying

Put a quarter in the jukebox
