Lately, I've been givin', everything I've got, to feelin'
alone
Baby, you got me livin'
One of them hard luck songs on the radio
Oh and I know, if I change the station, I'll get the same
song
Hope it ain't on the top too long

'Cause I really couldn't take it but they kept on playin' it
It's too unhappy and too close to home
I don't want to hear it but the singer keeps singin' that
song

I gave you my love
(My love)
You denied it
Then I gave you my life, but you wouldn't stay
And I hope you will return it to me someday

I gave you my love
(My love)
You denied it
Then I gave you my life but you threw it away
And I hope you will return it to me someday

Some days, I just sit around
And kind of dream and watch the rain
Or I'll pick up, some ol' magazine of yours
That I forgot to throw away
Then I'll sleep a little or walk the floor
I smoke a lot more than I did before
I'll call somebody I used to know
Just to try to stay away from that radio

'Cause I really can't take it when they keep on playin' it
It's so unhappy and so close to home
I don't want to hear it, but the singer keeps singin' that
song

I gave you my love
(My love)
You denied it

Then I gave you my life, but you wouldn't stay
And I hope you will return it to me someday

I gave you my love
(My love)
You denied it
Then I gave you my life but you threw it away
And I hope you will return it to me someday

I gave you my love
(My love)
You denied it
Then I gave you my life but you threw it away
And I hope
