What do you want, what do you want for Christmas?  
Whatever it is, I'll get it for you  
What do you want, what do you want for your birthday?  
All I want, I want, want, want is you

If you want a diamond ring to shine, shine, shine  
Or a fancy little watch to tell the time, time, time  
Every morning all I want to find, find, find is you, I said  
you

What do you want? Whatever it is I'll get it for you  
What do you want? All I want, I want, want, want is you

If you want a diamond ring to shine, shine, shine  
Or a fancy little watch to tell the time, time, time  
Every morning all I want to find, find, find is you, I said  
you

What do you want, what do you want for Christmas?  
Whatever it is, I'll get it for you  
What do you want, what do you want for your birthday?  
All I want, I want, want, want is

What do you want, what do you want for Christmas?  
Whatever it is, I'll get it for you  
What do you want, what do you want for your birthday?  
All I want, I want, want, want is

What do you want, what do you want for Christmas?  
Whatever it is, I'll get it for you  
What do you want, what do you want for your birthday?  
All I want, I want, want, want is

What do you want, what do you want for Christmas?  
Whatever it is, I'll get it for you  
What do you want, what do you want for your birthday?  
All I want, I want, want, want is

What do you want, what do you want for Christmas?
