When you're in love  
with a beautiful woman  
it gets hard  
When you're in love  
with a beautiful woman  
you know it's hard

Everybody wants her  
Everybody loves her  
Everybody wants to  
take your baby home

When you're in love  
with a beautiful woman  
you watch your friends  
When you're in love  
with a beautiful woman  
it never ends

You know that it's crazy  
You want to trust her  
Then somebody hangs up  
when you answer the phone

When you're in love  
with a beautiful woman  
you go it alone

Maybe it's just an ego problem  
problem is, I've been fooled before  
By fair-weather friends  
and faint-hearted lovers  
And everytime it happens  
it just convinces me more

When you're in love  
with a beautiful woman

you watch her eyes  
(you watch her eyes, you watch her eyes)  
When you're in love  
with a beautiful woman

you look for lies  
(you look for lies, you look for lies)

Everybody tempts her  
Everybody tells her  
She's the most beautiful  
woman they know

When you're in love  
with a beautiful woman  
you go it alone  
When you're in love  
with a beautiful woman  
you watch your friends  
(you watch your friends, you watch your friends)  
(baby look out)  
When you're in love  
with a beautiful woman  
you watch her eyes  
(you watch her eyes, you watch her eyes)  
(baby look out)  
When you're in love  
with a beautiful woman  
you keep looking for lies  
(you look for lies, you look for lies)  
(baby look out)

(repeat to fade)
