Who dat I see laughing all alone?  
Who dat I see faraway from home?  
I guess that's me, it must be me

Who dat I see racing for the sun?  
Who dat said, "Ain't never gonna own no one"  
I guess that's me, it must be me

You know, I paid my dues  
Every time, I got a little good news  
Feeling, I'm hot gonna take my shot  
Now how does that sit with you?

Who dat I see running by my side?  
Who dat coming along just for the ride?  
It must be you, it must be you

Who dat I see getting too much love?  
Who dat never know when he's got enough?  
I guess that's me and it must be you

You know, I paid my dues  
Every time, I got a little good news  
Feeling, I'm hot gonna take my shot  
Now how does that sit with you?

Who dat, I say who dat?  
Who dat, I say who dat?  
Who dat, I say who dat?  
Who dat, I say who dat?

Who dat, I say who dat?  
Who dat, I say who dat?  
Who dat, I say who dat?  
Who dat, I say who dat?

Who dat, I say who dat?  
Who dat, I say who dat?  
Who dat, I say who dat?  
Who dat, I say who dat?
