(D. McClinton)

Yeah

Come on to me babe, let me be your lover
Let's do all the things lovers do
We can kiss and hug honey
All night on the rug, that daddy back in Texas gave to
you

Thinkin' 'bout the time we was messing people's minds
Together doin' what we wanted to
But that was the best part
Like we had a head start, you lovin' me and me lovin'
you

So let's do it over again
And let's don't let it end
I found what I want and it's you
A woman, lover, friend

So let's do it over again
Let's don't let it end
I found what I want and it's you
A woman, lover, friend

Come on to me babe, let me be your lover
Let's do all the things lovers do
We can kiss and hug honey
All night on the rug, that your daddy back in Texas
gave to you

Thinkin' 'bout the time we was messing people's minds
Together doin' what we wanted to
But that was the best part
Like we had a head start, you lovin' me and me lovin'
you

Oh Yeah, you lovin' me and me lovin' you

Do it over again
Do it over again

Do it over and over again
Do it, do it, do it again

Do it over again
Do it over again
Do it over and over again.....
