(R. Mather/K. Stegall/C. Waters)

I was sitting all alone, watching people getting off, with  
each other

They were dancing 'cross the floor, turning movement  
back and forth, they were lovers

One more lonely night for me, I looked up what did I  
see

Sexy eyes, moving 'cross the floor, couldn't want for  
more, sexy eyes

Sexy eyes, getting down with you, I wanna move with  
you, sexy eyes

I got up and took your hand and we both began to  
dance to the music

Ooh your magic cast a spell, it didn't take long 'til we  
fell and we knew it

No more lonely nights for me, this is how it's gonna be

Sexy eyes, moving 'cross the floor, couldn't want for  
more, sexy eyes

Sexy eyes, getting down with you, I wanna move with  
you, sexy eyes

No more lonely nights for me, this is how it's gonna be

Sexy eyes, moving 'cross the floor, couldn't want for  
more, sexy eyes

Sexy eyes, getting down with you, I wanna move with  
you, sexy eyes

Sexy eyes, getting down with you, I wanna move with  
you, sexy eyes

Sexy eyes, getting down with you, I wanna move with  
you, sexy eyes
