(Even Stevens)

When you're in love with a beautiful woman it's hard  
When you're in love with a beautiful woman you know  
it's hard  
'Cause everybody wants her, everybody loves her  
Everybody wants to take your baby home

When you're in love with a beautiful woman you watch  
your friends  
When you're in love with a beautiful woman it never  
ends  
You know that is crazy and you wanna trust her  
Then somebody hangs up when you answer the phone

When you're in love with a beautiful woman you go it  
alone  
Maybe it's just an ego problem, problem is that I've  
been fooled before  
By fair-weather friends and faint hearted lovers  
And every time it happens it just convinces me more

When you're in love with a beautiful woman you watch  
her eyes  
When you're in love with a beautiful woman you look for  
lies  
'Cause everybody tempts her everybody tells her  
She's the most beautiful woman they know

When you're in love with a beautiful woman you go it  
alone
