Pretty soul age, better you got ...
Now you got nothing to hide
Well I ain't moving too fast, you just moving too slow
Moving too slow
... what you did before, ain't what you know
Is who you know
Ain't no age of innocence, ladies and gents
No make no face, seeing the unseen
We ...Cia, all playing the same age
Living in the ice age, living in the ice age
Now it's cold age
Worry bout the rent, ain't got a cent
Got no cash to flash but he ain't got no friends
We loose the jobs, ...loosing all, using dope
Now your ...at the end of our roads
Ain't no age of innocence, ladies and gents
No make no face, seeing the unseen
We ...Cia, all playing the same age
Living in the ice age, play

This is the ice age, smoking the crack, final blunts
Wanna be in jail, doing ...
Kids with bruise, ... suckers, death is always there
If you ain't iced, you gotta breathe the life within
Ain't no age of innocence,
Ain't no age of innocence, ladies and gents
No make no face, seeing the unseen, seeing the
unseen
We ...Cia, all playing the same age
Ain't no age of innocence,
Ain't no age of innocence, ladies and gents
No make no face, seeing the unseen, seeing the
unseen
We ...Cia, all playing the same age
Living in the ice age, living in the ice age.
