As I walk down the street
Seems like everyone I meet
Gives me a friendly hello
I guess, I'm just a lucky so and so

The birds in every tree
All sing so merrily
They sing wherever I go
I guess, I'm just a lucky so and so

If you'd ask me the amount in my bank account
I'd have to confess, I'm slipping
That don't worry me, confidentially
I've got a dream that's pippin'

And when the day is through
Each night I hurry to
Home where love waits I know
I'm just a lucky so an so

If you'd ask me the amount in my bank account
I'd have to confess, I'm slipping
That don't worry me, confidentially
I've got a dream that's pippin'

And when the day is through
Each night I hurry to
Home where love waits I know
I'm just a lucky so an so

I'm just a lucky so an so
