

## Dr. John "Imitation Of Love"

Visit "[Imitation Of Love](#)" on [MotoLyrics.com](#)

We do the things that lovers do  
Like you kiss me and I kiss you  
We say the things that lovers say  
Like I'm never ever goin' away

We don't feel the things that lovers feel  
You can't fake a feelin' and make it real  
It's just an imitation, an imitation of love

We had it all, well, I broke your heart  
We were too weak to stay apart  
I didn't mean to treat you so mean  
[Incomprehensible]

We don't feel the things that lovers feel  
You can't fake a feelin' and make it real  
It's just an imitation, an imitation of love

Oh sure, yes oh

We don't feel the things that lovers feel  
You can't fake a feelin' and make it real  
It's just an imitation, an imitation of love

Yeah, yeah, yeah, yeah, yeah  
It's just an imitation, an imitation of love
