I been in the right place but it must have been the
wrong time
I'd have said the right thing but I must have used the
wrong line
I been in the right trip but I must have used the wrong
car
My head was in a bad place and I'm wondering what it's
good for
I been the right place but it must have been the wrong
time
My head was in a bad place but I'm having such a good
time

I been running trying to get hung up in my mind
Got to give myself a good talking-to this time
Just need a little brain salad surgery
Got to cure my insecurity

I been in the wrong place but it must have been the
right time
I been in the right place but it must have been the
wrong song
I been in the right vein but it seems like the wrong arm
I been in the right world but it seems wrong wrong
wrong wrong wrong

Slipping dodging sneaking creeping hiding out down
the street
See me life shaking with every ho' I meet
Refried confusion is making itself clear
Wonder which way do I go to get on out of here

I been in the right place but it must have been the
wrong time
I'd have said the right thing but I must have used the
wrong line
I'd have took the right road but I must have took a
wrong turn
I'd have took the right move but I made it at the wrong
time
I been on the trip road but I must have used the wrong
car

My head was in a good place and I wonder what it's
bad for.
