Such a night  
It's such a night  
Sweet confusion  
Under the moonlight

Such a night  
Such a night  
To steal away  
The time is right

Your eyes caught mine  
In Arab lands  
You let me know  
That this was my chance

You came there with  
My best friend Jim  
And here I am trying  
To steal you away from him

(CHORUS)  
Oh, but if I don't do it  
You know somebody else will  
If I don't do it  
You know somebody else will  
If I don't do it  
You know somebody else will  
If I don't do it  
You know somebody else will

And it's such a night  
It's such a night  
Sweet confusion  
Under the moonlight

It's such a night  
It's such a night  
To steal away  
The time is right

Yeah, I couldn't believe my ears  
And my heart just skip a beat

When you told me take you  
Walking down the street, oh, yeah

You came there with  
My best friend Jim  
Here I am trying  
To steal you away from him

(CHORUS)

Cause it's such a night
