If you eating white bread  
you are walking with me  
they tell the chips they sinking  
like a torpedo ship  
breezy skies of pies  
are you telling lies  
what's wit dat  
what's wit dat  
what's wit dat  
what's wit dat

spending a lil less  
for all the crap we like  
wondering why  
heart stops the beat  
it ain't bits  
he aint a go getter  
that is a lot of bliss

what's wit dat  
what's with dat  
what's with dat  
what's with dat  
that's wat we say  
all the people  
like a little money  
so instead of sugar  
or honey

i wont play you  
better yet  
they said mo mo mo more

what's wit dat  
what's with dat  
what's with dat  
what's with dat  
that's wat we say oh yeah

got the best surprised  
what they don't tell you  
it ain't very nice

sugar chemical  
that's what you will need from  
the ..

everybody needs helps with groceries to eat  
don't go with the popes

champagne safe  
what's wit dat  
what's with dat  
what's with dat  
what's with dat  
that's wat we say oh yeah
