You and I in a little magic shop
Buy some Chocolate Frogs with the money we've got
Set them free but they don't last long,
They're good for one jump, then they're done
At the base of my spine I get a tingling sense
Something evil is about to commence
Under cover of a darkened sky,
99 Death Eaters go by

99 Death Eaters
Under cover of a darkened sky
The Ministry's on red alert
There's something here from somewhere else
The Aurors all spring to life
Moody opens up his eye
And focusing it on the sky
As 99 Death Eaters go by

99 Decision Street
99 Ministers meet
To worry, worry, super scurry
Call Dementors in a hurry
This is what we've waited for
This is it boys, this is war
Cornelius Fudge is on the line
As 99 Death Eaters go by

99 Knights of the Air
We're under magic fire, folks!
Everyone's a superhero
Everyone's a Ludo Bagman
Get Aurors to identify,
Clarify, and classify
Scramble in a darkened sky
As 99 Death Eaters go by
99 Death Eaters go by

99 dreams I have had
The Dark Mark's floating in the air
It's all over and I'm standing pretty
In what used to be this city

If I could find something tragic,
Just to prove there once was magic
And here is a Chocolate Frog
I think of you and let it go
