Have you heard of that freak
The one they call Buckbeak
I'll never bow my head to him, uh-huh
I won't show respect
To that Darwinian reject
I'll never bow my head to him, uh-huh

'Cause Hippogriffs deserve to die
Hippogriffs deserve to die

It's not my fault at all it happened
Mudbloods better stop overreacting now
I'll tell you why he deserves to croak
That mother attacked me unprovoked, oh yeah

Because Hippogriffs deserve to die
Hippogriffs deserve to die
Hippogriffs deserve to die
Hippogriffs deserve to die
Hippogriffs deserve to die

We will paint the sky in blood tonight
The feathers of the heathen never taking flight
Hippogriffs deserve to die (x6)
