Went down to Knockturn Alley today  
I went into the darkest doorway  
I said, "I want something dangerous  
I want something useful  
And powerful  
And I want it by the handful..."  
Well, he just looked at me strange  
I said, "Don't you know who I am?  
Don't you know my father?  
Haven't you heard? We're both Death Eaters  
Who are you?  
You're just a dirty little shopkeeper."

"So give me something that'll really knock 'em dead  
Something that they'll think about all night when they

Lie awake in bed  
Something that will set the dark things free  
And put everything that is good and light into misery."

Went down to Knockturn Alley today  
Went down to Knockturn Alley today  
(Ah-ah-ah-ah-ah-ah-ah)

Went down to Knockturn Alley today  
(Ah-ah-ah-ah-ah-ah-ah)  
Went down to Knockturn Alley today  
(Ah-ah-ah-ah-ah-ah-ah)  
[Repeat until fade]
