You know the first time that you tried to kill Harry  
My dad told me it was really scary  
We did not know if you ever were going to come back  
to us  
Your people

When the curse reversed it hurt you real bad  
Some jerks were happy  
No, they were not sad  
They said, "Hooray  
There's no way he's okay  
Yeah I think he has gone away  
Far away  
There to stay  
Oh hooray"

They didn't know that you were freakin' awesome  
Voldemort I think that you are really freakin' awesome  
'Cause you figured out what Horcruxes are all about  
It won't take that much longer  
You're getting stronger every day

And now those jerks are worried that you're coming  
back, yeah  
They're afraid that you will attack and  
I know you will totally unmercifully destroy all non-  
believers

And now it looks like you'll be back in your place  
My dad was so glad he didn't punch me in the face  
He said, "Hooray  
He's okay  
Oh Voldaya  
Yeah, I think he is back to stay  
Praise the day  
I am gay  
Oh hooray"

Voldemort I think that you are really freakin' awesome  
Don't you know that I want to be freakin' awesome too?  
Won't you do me a solid

And share with me your knowledge  
It won't take that longer  
I could get stronger every day  
So much stronger

Voldie won't you teach me about Horcruxes  
I want to be as awesome as the Dark Lord is  
I just wanna live forever  
So you's and me can be together  
And show everyone else something more to do too

Voldie won't you teach me about Horcruxes  
I want to be as awesome as the Dark Lord is  
I just wanna live forever  
So you's and me can be together  
And show everyone else something more to do too
