You wake up in the morning and,  
put on your hand-me-downs and  
you embarass yourself.  
Cos you're a Weasley.

Are those freckles you're sporting  
or is that \_\_\_ on your face?  
I'm inclined not to believe it's freckles  
because of the smell.

I saw you try to buy some Bertie Botts  
Every Flavoured Beans.  
But you could not, because  
of nothing is all you've got.

Because your family is poor  
and I do implore why did your  
parents have so many kids when they're poor.  
I said your family is poor  
and i know for sure  
that i am so much better than you cos  
your family is poor.

The way that your hair looks like  
some lice are living there  
It's kinda funny to me.  
I try not to wait around you  
cos you always smell like pee.

Because your family is poor  
and I do implore why did your  
parents have so many kids when they're poor.  
I said your family is poor  
and i know for sure  
that i am so much better than you cos  
your family is poor.
