(Lyrics by Anders Jacobsson, June 1997, edited June 1999)

In Pandemonium the rebellious counsel aligned.
As the great dragon arrives from beyond the magical
abyss,
the eleven-pointed star rises for the sake
Samael spreads his wings with enchantment.
In front Lucifer stands with burning passion
and a stare in his sad, tortured eyes
As a gracefallen glare, uncertain of what lies ahead he
turns to the daughter of Lilith.

Namaah:

For the sake of Apep for the death of
Ra

For the glory of thine future for the death
of God.

Thou art the leader as night our saviour
On the edge of Heav'n His false love shall die!

Lucifer:

I want to look down when He's screaming,
when the dark night opens to Kliffoth.

Lilith sings with chanting echoes

I now enter to awake the red beast.

Samael:

The signs are calling to us all

Soon it's time to fight the battle!

Tail now winding Cauda Draconis!

Astaroth:

O fallen friends, we raise an eternal night.

We shall never worship His humans

The dragon has lifted our minds (from the
start)

Our soul has burn'd by dragonfire,
purified from all holy matters.

The flames are infernal

Lucifer:

and Naamah shall guide us!

Cauda Draconis!

Apep:

My fire shall burn to light thy way,
Fallen stars, soon you'll storm the heav'ns,

and the grace o' Lilith weakens the seed of Adam
for the sake of Thee, Seraphim Rebellious!

Lucifer:

Oh, demon might! Oh, dragon soul.
Moons once lost I see in darkness supreme.

Samael:

Oh, nocturnal queen, your evil eye's I have seen.
I've awakened thee in Lilith!
Cauda Draconis!

And myriads of angels! dragons and demons
alike

flew like a dream out from the lovelorn
darklands!

and with flaming swords they raged towards the vaults
of Heaven.

The second rebellion of Lucifer has begun!

Deliah:

Oh! listen to the music in the wind!
'Tis time! 'tis time!
