(Lyrics by Anders Jacobsson, 1998, edited 1999)

Lucifer:

In glory and pride we rage and the dragon
blistersÃ¶Ã¶,Â€Â!

May endless tears of pain stain His beloved throne.

We'll now dethroneth The Prophet and descend'th
upon The Lamb and the reign of the holy tyrant!

A darkness sweeps over the mighty skies
and armies of wrath storms the holy gates.

Flaming swords and spears raised in allegiance,
as war glimmers in all corners of heaven.

Lucifer:

Raise thine swords, draconian hordes!

This is the quest of eternal mightÃ¶Ã¶,Â€Â!

The war has begun, we are the lordsÃ¶Ã¶,Â€Â!

Let's now conquer the holy and the bright!

Holy blood is raining from the infinite skies,

and as the gate shatters Astaroth shouts in fury:

Astaroth:

Now, break the chain!

They gather around Gods temple.

One could feel His false glory was fading,

and Heavens winds sounds desparing screams.

Lucifer and Astaroth enters the openingÃ¶Ã¶,Â€Â!

and there on the throne He sitsÃ¶Ã¶,Â€Â!

Lucifer:

Finally we hath come to end thy reignÃ¶Ã¶,Â€Â!

Milleniums o' torture endsÃ¶Ã¶,Â€Â! it ends with thine
light!

They rage towards the highest with burning
eyesÃ¶Ã¶,Â€Â!

thunder and lightning roars the Heav'nsÃ¶Ã¶,Â€Â! so
black.

Valiant the dark angel strikes in all his fury,
and glory as God forever clos'd His eyes.

Lucifer:

Raise thine Swords, draconian hordes!

This is the quest of eternal mightÃ¶Ã¶,Â€Â!

Our future's begun, we are the lordsÃ¶Ã¶,Â€Â!

We have conquered the holy and the bright!
