Bastard simpleton  
Blank stare, ignorant  
Pauper of your mind, body and soul  
Slave bought ignorance  
Graves dug diligent  
Who the fuck are you digging them for?

Die slow degenerate  
Your last chance came and went  
Bury your head in the sand  
Wait for the high tide

Cry for embrace  
Patience swept under the wave  
Washed up and frail like a stray dog  
Muzzled and chained  
Sister scapegoat  
Failure, take me far away  
Free from the idiot nature  
Mind of the knave

Flock mentality  
Sheep in wolves clothing  
Useless life form  
Mindless peasant  
Inane and vague  
Jaded and spent

Your dreams are not your own  
Puppet-strung, feeble clone  
Marionette, dance for your master some more

Coward, imbecile  
Stand on window sill  
Jump for the sake of your kin  
Be a martyr tonight

Free yourself to free us all of shame
