If the sun doesn't always shine  
Dum dum dum dum  
Just remember that you are mine  
Dum dum dum dum

(CHORUS)  
Marble breaks and iron bends  
But our love will never end  
After all is said and done  
You're the only one

Should I ever be far away  
Dum dum dum dum  
My love is with you night and day  
Dum dum dum dum

(CHORUS) 2X

Til I give you a band of gold  
Dum dum dum dum  
Take my heart now to have and hold  
Dum dum dum dum

(CHORUS) 3X
