We, the lords of your dark destiny  
Transparent and swift  
Forever compelled towards the crushing darkness  
Solemn and strong

NO ONE IS INNOCENT  
NO ONE IS SAFE  
SIN UNRELENTING  
SIN JUSTIFIED

Secrets revealed from the past  
Once thought to be lost for all time  
Set in stone now to never be undone  
Thy will be crushed and doomed

Those with power kept it locked inside  
THE BLACK HEARTED HORDE  
Never to tell of its hidden capacity  
THE CULT OF THE DRAGON

Law over faith  
Strength over ritual  
Time grows short for all who defy
