Shadows, fog  
Sign of the fall  
A dwarf, a face-a monster  
Without form

You, son of void  
Eyes in decay  
The dust in throbbing  
With dead life

Forgotten by death  
You've become a thing  
A relic  
Forgotten by death  
It's horrid not to be able to die

Eternal life  
Forgotten  
Where is death

Tangled in darkness  
Forgotten  
A blind sin

Catacombs  
On the Tombs  
You've built your grave

You long for fire  
That brings you  
Salvation

Only one desolate world  
Only one home uprooted  
Only one shadow behind  
Only the desperate moan

Forgotten by death  
Tell them after thousands of years  
Forgotten by death  
A witness of the age of doom
