[JD](Monica)

Uh-huh, oh (Oh)

Uh-huh, oh

So So Def

(I've got to have it)

See this is what it's all about right her

Understand me see my life's real

I don't know about yours

Everything I do is an event

(I've got to have it)

Nas, Monica, and me

(I've got to have it)

When it comes to my honeys in the strip club (oh)

Sumpin' on dubs in the middle of the block

Like what? (What?)

[Nas](Monica)

When you see me with the crispy fade

Icing it out, glowing with the lights is out (hmm)

Yo say my name! (Ooh)

When you see a Bentley or Ferrari, a Mazuradi

It's probably me (ooh, oh)

Say my name!

When your hear this song bump in the club

When you're chillin' on the corner with your thugs

Say my name!

I make it hot and take your block

Who they wanna be and hate they not

Yo say my name!

When your girl don't call you when you beep her

And you hit it and her thing feel deeper

Say my name!

Pull on her hair, spankin' her rear

While I'm in 'em bitches all I wanna hear is you say my name

Squeeze my gats beef is done

Police come you know the game

Don't say my name

Dipped out crazy, Timbs chicken and gravy

Q.B., Dupri baby

1 - [JD] (Monica)

When it comes to the clubs packed, Cristal flowin'

(I've got to have it)

When it comes to homes pushed out chrome stuck out
in traffic

(I've got to have it)

When it comes to a neck full of glow

And a check full of O's, you know

(I've got to have it)

When it comes to my honeys in the strip club

Sumpin' on dubs in the middle of the block

Like what? Say my name!

(I've got to have it)

[Monica]

Gotta have my tied up Iceberg Gucci Rolley

Bezzled up, bezzled up

Gotta have me a double O

With a six in the front

And a bump-bump in the truck

Gotta have me an escalade

My house is laid

A man that keeps my bills paid

My records play every day

What can I say?

I've got to have it

Repeat 1

[JD]

When you see a black do-rag through the tint

Of a black Bent going too fast

Say my name

When you talk about longevity

And niggas who know how to keep gettin' that cash

Say my name

When you're sick of your songs

Sittin' on the right

And wanna know what the top feel like

Say my name

If you wanna know what being hot feel like

And shuttin' down the spot feel like

Say my name!

JD from the home where the bowls get thrown

And the dough get gone real quick like

Keep niggas sick like 40 karats and a chain

Foolish ain't it?

Say my name!

Everything you did I've done did double

If you hate to see flash then your ass is in trouble

Scram now and don't look back

Cause until I die it's like that

Repeat 1

[Monica]

I've got to have it..
