I'm leaving for broadway
No date no time
Just colour shining
Shining down on me

I'm in the sunshine
I'm wasting time
I'm in the spotlight
I'm out of time

There's no regrets
My case is full
Lost and found
The road is ahead
And the last never leaves the road

I'm in the sunshine
I'm wasting time
I'm in the spotlight
I'm out of time

Elevator
Take me high
Take me
Take me to the street
Spiderman
Take a chance
Saying somethings in between
Somethings in between

I'm in the sunshine
I'm wasting time
I'm in the spotlight
I'm out of time

Elevator
Gonna smile at me
Got a cigarette
Smoking in your hand
(She said) oh this world is just as scary
How can I understand

When my world turns to sand

I'm in the sunshine

I'm wasting time

I'm in the spotlight

I'm out of time

I'm in the sunshine

I'm wasting time

I'm in the spotlight

I'm out of time
