I've been laughing at myself
In these old fashion words I used to say
Together, forever, love, devotion
Faithfulness and a heart that's true

These are modern times
Everyones an island on a pleasure seeking sea
So its with surprise I feel old fashion heartache
Hurting me - No oh oh oh oh

Oh

Here am I all alone and wondering what to do?
Now that I, am just another fool whom you've been,
untrue
Now was I gonna be the last, to know?
Yeah was I gonna be the last to know?

Nah yeah yeah yeah yeah

I've been talking to myself
At the heartbreak beats against my goal
Just when I think I've beared enough
I've found I take some more

It is old fashion feelings come
Down on the world I used to know oh oh oh oh
So its with surprise I feel old fashion heartache
Wont me Let me go - No oh oh oh oh

Oh

Here am I all alone and wondering what to do?
Now that I, am just another fool whom you've been,
untrue
Now was I gonna be the last, to know?
Yeah was I gonna be the last to know?

And when the dark days of my memory
Come calling me
Still I wait, still I wait by my door

I don't want no more - oh oh

Oh

Here am I all alone and wondering what to do?
Now that I, am just another fool whom you've been,
untrue
Now was I gonna be the last, to know?
Yeah was I gonna be the last to know?

All alone and wondering what to do
Now that I, just another fool to whom you've been
untrue
Now was I gonna be the last to know?
Yeah, was I gonna be the last the know?

Was I gona be the last to know?

The last to know?
