DRAGON - SMOKE

If you can hear me
Know my heart's on fire
If you can hear me
I hope you let it burn

I'm waiting here
Holding on for hours
If you didn't know by now
You'll never ever learn

There's no smoke
Smoke without a fire
There's no hope
Hope without desire

Can you hear me now?
All you friends and strangers
If I show you my heart
Will you promise not to tell?
I'm giving you
My heart for you to love me
But is talking in my sleep
Losing you as well

There's no smoke
Smoke without a fire
There's no hope
Hope without desire

Am I talking in my sleep?
Am I falling in too deep?

If you can hear me now
Know my heart's on fire
If you can hear me
I hop you let it burn

There's no smoke
Smoke without a fire

Talking in my sleep

Am I talking in my sleep?

Am I falling in too deep?
