Master whom theyre  
Their sure dusk  
Over the great river  
The death has died here

Master whats going on with me  
Everytime I can hear the voices  
Heres darker existence  
For them  
Than there  
Flits so quick  
Whod believe  
That death caught  
So many

The world didnt let them  
To last in glory  
Mercy and judgement  
Dont help them  
Behind the river  
An immense black  
Winds  
Showing the route  
Of unworthy rest  
Master heres a fear

I can see the death  
Its getting near  
Help me take  
Me back

The circles narrow  
The bridges reveal  
The suffers sea  
Theres wilderness behind  
With the sight imprisoned  
In the brain  
Where you go

Master whom theyre
