The Black Keys:

I could take the pitchfork from the devil
Keep a super suit like Iâ€™m incredible
From the deep, blue sea to the dark blue sky
Iâ€™m the baddest man alive
Iâ€™d grab a croc and Iâ€™d bite his tail
Hack off the judge, and put a guy to jail
Make the meanest woman break down and cry
Iâ€™m the baddest man alive
Iâ€™m the baddest man alive
I take no measure, I take no jive
Sometimes I feel like I can fly
Iâ€™m the baddest man alive
Iâ€™m the baddest man alive

RZA:

Donâ€™t plan on being bad, but Iâ€™m bad beating pussy
My name Pete Thompson, and you knock on wood,
Teddy bear hoops, I tell rise your hood
Flashing macs on a cop, the way a gangster should
I snatch food from the top of a tiger
Take a gasoline path and I walk through fire
Bear hugger grizzly, suck milk from a titty
Take the soldier hat from it's head and use it for a
Frisbee
Spit in the crocodile face, have a menage a trois, but
two female apes
And sleep in the bad boy butcher knives
I drank honey straight from the beehive
Bungee jumping off the Empire State butt-naked
Promenade across the Golden Gate, butt-naked
With the baddest man alive, and I donâ€™t plan to die
When the drill peoWle come I look all white and inside
I plus up in the face of the rich Upper East
Cause Iâ€™m a great white shark, they go and brush his
teeth
Iâ€™m the man who stole the golden fleece
And I date rape you right in front of the peace
The baddest man alive and I donâ€™t plan to die

The Black Keys:

Iâ€™m the baddest man alive

I take no measure, I take no jive
Sometimes I feel like I can fly
IÂ'm the baddest man alive
IÂ'm the baddest man alive
