Nah nah, nah nah, nah nah nah, nah nah (x2)  
Wo oh oh (x2)

So long  
Why you waiting so long?  
After every single word is said  
I'm feeling dead and gone

Along  
Don't you drag me along  
If you do, you know I'll follow you  
Until the truth is known

I'll go anywhere you go (x2)  
oh oh oh (x2)  
All the way, all the way  
I'll go anywhere you go (x2)  
All the way...

So long  
why'd it take you so long  
Every time I hear the whistle blow  
I'm down below, you're gone

Don't call me, I'll call you  
With what you say, I'll obey  
a cheer tonight, or eatin' right  
I need to say, gotta say

I'll go anywhere you go (x2)  
oh oh oh (x2)  
together  
All the way, all the way
