When it come to pride
And other sinful matters
You?re gonna be misled
Left feared and tattered

I got to go because
Some thing?s on my mind
And it wont get better
No matter how hard I try

Whoa, yeah
You just got to be
The best man for me

Evil hides in dark places
But now I find it in familiar faces

I got to go because
Some thing?s on my mind
And it won't get better
No matter how hard I try

Whoa, yeah
You just got to be
The best thing for me
