Never gonna give you up
No matter how you treat me
Never gonna give you up
So don't you think of leaving

Girl, you treat me bad
And I know why
I've seen you running around
With another guy

And you think if you hurt me
Then I'd go away
But I've made up my mind
You know I'm, I'm here to stay

Never gonna give you up
No matter how you treat me
Never gonna give you up
So don't you think I'm leaving

Baby, don't you understand
What you're doing to the man?

Do you see these tears?
They're in my eyes
There's no use in lying
'Cause I really cried

You think you're gonna take me
And put me on the shelf
I'd rather die
Than see you with somebody else

Never gonna give you up
No matter how you treat me
Never gonna give you up
So don't you think of leaving

Baby, don't you understand
What you're doing to the man

Well, my friends all say

That I'm your fool
And you're using me
Like a carpenter using a tool

I know that intentions
Were all very good
Some of them would help me
If they could

But I'm never gonna give you up
No matter how you treat me
Never gonna give you up
So don't you think of leaving

Baby, don't you understand
What you're doing to the man

Never gonna give you up
No matter how you treat me
Never gonna give you up
So don't you think of leaving

Never gonna give you up
No matter how you treat me
Never gonna give you up
So don't you think of leaving
