Can't explain
No, why can't I contain
Control you have on my soul
It's all I do is maybe dream of you
Falling down when you're around

You're the only one
You're the only one
I'm so wrapped up in a blaze
Hoping this is just a phase
But when all is said and done
I know you are still the one

You're the only one
You're the only one
Cupid's bow has stung
Now you're the only one

Mystery is what this is to me
Give it up, I'm having no luck
Like a ghost, the one that I love most
Disappears when I get near

You're the only one
You're the only one
I'm so wrapped up in a blaze
Hoping this is just a phase
But when all is said and done
I know you are still the one

You're the only one
You're the only one
Cupid's bow has stung
Now you're the only one

Oh-oh-only one
Oh-oh-only one
Oh-oh-only one
Oh-oh-only one

Oh-oh-only one
Oh-oh-only one

Oh-oh-only one
Oh-oh-only one
