Whoa

My gears they grind
More each day
And I feel like
Theyre gonna grind away

Whoa

And the city blocks
They drive me wild
Theyre never ending
Mile after mile

I just don't know what to do
Im too afraid to love you

Heaven on Earth
Is in her embrace
A gentle touch
And a smiling face

Im just one wishing I was a pair
With someone oh somewhere

I just don't know what to do
Im too afraid to love you
All those sleepless nights
And all those wasted days
I wish loneliness would leave me
But I think it's here to stay
What more can I do
Cause Im ringin myself dry
And I cant afford to lose
One more teardrop from my eye

Whoa

Im too afraid
Im too afraid
I just don't know what to do
With myself

Thinkin all the time

Don't know what to do

Don't know what to do

Drivin me outta my mind
