C'mon everybody get up and shake!

Shake your dragon tale,
Shake your dragon tale.

Move your feet,
And shake your seat,
And let your spirits sail.

Oh, if you're looking to have a good time,
You know it never fails.
You gotta stand up tall and don't be small,
And shake your dragon tale.

Cmon and
Shake.
Shake it, shake it up!
Shake.
Shake it,
Just can't get enough.

C'mon
Shake your dragon tale,
Shake your dragon tale.
Just feel those ants in your pants,
And move on down the trail.

Cause if you're looking to have a good time,
You know it never fails.
Just stand right up and strut your stuff,
And shake your dragon tale.

Cmon now shake it,
Shake it, shake it,
Shake it high, shake it low
Cmon and shake it,
Shake it, shake it.
Shake it everywhere you go.

Cause if you're looking to have a good time,
You know it never fails!

You gotta stand up tall and don't be small,
And shake your dragon tale.

C'mon now,
Shake your dragon tale,
Yeah
Shake your dragon tale.
Yeah
Just shake those ants out of your pants,
And shake your dragon tale.

C'mon now.

Shake your dragon tale.

Shake!
